

No. PCC/DDD/HW-2016/CPCB/16-17/ 94
Office of the Member Secretary,
Pollution Control Committee,
DNH & DD,
Daman

Dated: -18/08/2023

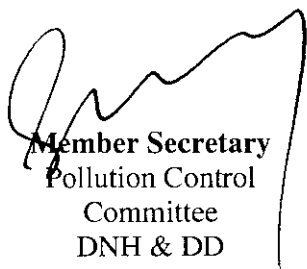

CIRCULAR

As per the Rule 6 of the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016,) Every occupier of the facility who is engaged in handling, generation, collection, storage, packaging, transportation, use, treatment, processing, recycling, recovery, pre-processing, co-processing, utilisation, offering for sale, transfer or disposal of the hazardous and other wastes shall be required to make an application in Form 1 the Pollution Control Committee, DNH&DD and obtain the authorization.

Central Pollution Control Board has recently developed modules of “**National Hazardous Waste Tracking System (NHWTS)**” for tracing the generation, transportation, storage, recycling, utilization and disposal of the hazardous waste across the country.

In this regard all the Industrial setup who is involved in generation, transportation, storage, recycling, utilization and disposal of the Hazardous waste has to compulsorily register on the website <https://geo.nic.in/nhwts> within **15 Days without fail** from the issue of this circular.

Further all the Occupier who has taken authorization for the Hazardous waste has to strictly follow the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 as amend time to time.

5. Notice Board.

NHWTS (Home Page) Help Manual

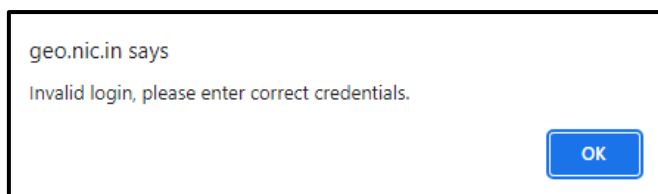

In Login Page, three types of radio button were provided for each category (Industry, Department and Transporter). On click of Department radio button, Users like Admin, SPCB and CPCB users can login.

1. Industry Users:

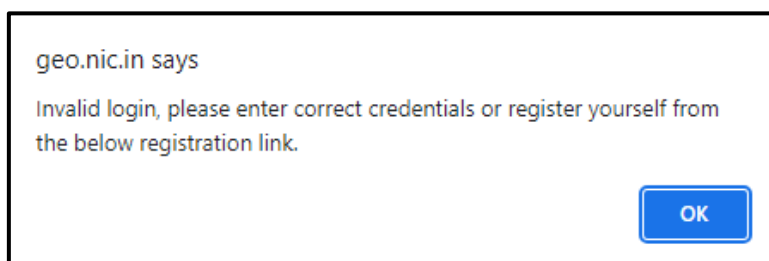

- User has to select the state. If it is OCCMMS state, alert will be displayed as shown below.

- If OCCMMS state user login, he has to enter the OCCMMS credentials. First, it will check the OCCMMS system. If not matched with OCCMMS system, it will check NHWTS system.
- If the password is wrong in both OCCMMS and NHWTS system, alert (“Invalid login, please enter correct credentials”) will be displayed.

- In case, OCMMS user wants to change password, he can use 'Forgot password' option. But, for using 'Forgot password' option, that user should have logged in the NHWTS system previously for at least one time, or he should be the registered user of NHWTS portal.
- If username itself not matched with both OCMMS and NHWTS system, alert having message "invalid login, please enter correct credentials or register yourself from the below registration link" will be shown. In that case, user can register as new user using the registration link.

- If it is non-OCMMS user, he must enter the user credentials through which he registered in the NHWTS portal.
- If non-OCMMS user entered incorrect password, "invalid Login" alert will come.

- If non-OCMMS user entered incorrect username, "User does not exist" alert will come.
